

Hansen Sea Lion Life Jacket 275N Offshore

The Hansen Sea Lion Life Jacket is specially designed for use as a combined working/abandonment life jacket.

Applications

The life jacket is designed to be worn when the user is wearing heavy duty clothing or with an abandonment suit - where it guarantees to self right the wearer in less than 5 seconds. The Patented interlocking lobe design also creates an effective wave barrier preventing water channeling into the airways. The life jacket design gives neck and head support which is particularly vital for an unconscious wearer.
