

Hansen Sea Work Suit

Hansen Sea Work is a work-suit /constant wear suit developed in close contact with demanding user-groups in the maritime environment. The suit is intended for use by maintenance workers in exposed areas. The suit is highly ergonomic in construction and offers the user several extra features compared to a conventional abandonment suit for emergency use only.

Features

- PU coated flame retardant, waterproof Oxford nylon
- Tyvek® body warmth reflecting inner layer
- 3mm buoyancy foam with closed cells for insulation and buoyancy
- detachable inner lining
- watertight zip
- soft Neoprene hood, enables the use of hard hats for protection
- reinforcements on elbows and knees
- boots with steel toe cap
- cuffs with adjustable straps
- integral safety harness with stainless steel ring and carbine hook
- buddy line
- whistle
- 3 arm and 2 leg pockets
- reflective tapes
- neoprene five finger gloves and emergency light
